MEMORANDUM FOR: CHIEF, PLANNING AND PROGRAM COORDINATION STAFF

SUBJECT: Planning Study - BOFIEND

REFERENCE: Memo from C/PM to C/SE, Dtd 4 Nov 52, TS #81462

1. With reference to your memorandum of 19 Dec 52, TS #85618, forwarded herewith in draft form are essential elements for the Planning Study desired by DD/P and DCI on the subject of the overthrow of the Hoxha regime in Albania.

2. The attached draft is not a finished piece of work largely because the personnel limitations and the current work load make it impracticable for this Division to assume responsibility for a finished Staff paper of the type desired. However, these drafts contain an exposition of the essence of the problem involved and should provide an adequate basis for the preparation of a proper Staff Study by a staff organized and equipped with personnel for that purpose.

3. As a cover sheet for the attached draft, I am forwarding a suggested outline for the finished study. The accompanying attachments and annexes provide most of the material your staff will need for completion of the study. In this connection, your attention is invited to the fact that the following documents, which are forwarded herewith, are basic papers which belong in the files of this Division and should be returned as soon as possible:

- a. TS #66843, Copy #10 - Psychological Warfare Operations
- b. TS #83783, Copy #1 - Propaganda Guidance in the Event of a Yugoslav sponsored Uprising in Albania
- c. TS #83782, Copy #1 - Recommended Diplomatic Action Respecting Albania
- d. TS Draft - Proposals for the Overthrow of the Albanian Regime (Appendix II to Annex 5A)
- e. TS # 83784, Copy #1 - Relations with Respect to Albania

4. We shall be happy to consult with members of your staff in the further development of this paper.
